

# MISSION FRIENDSHIP CENTRE

---

January was a great Month and we had a lot of events going on. Due to the snow and terrible driving conditions we were forced to close for a week. For future reference we will be closing the same days as the schools, in Mission close due to weather.

We would like to thank all the people who gave their time to facilitate and help in some workshops such as salmon canning, cedar rose making, beading, drum making and more. These workshops enrich our lives and we hope to continue with them. Check out the calendar attached to find upcoming workshops that you may be interested in.

We were proud to have hosted a visit from the Minister of the Ministry of Child and Family Development on January 31st and share in a great roast beef lunch. This event provided us the opportunity to do some great networking and meet some new people who we hope to do some work with in the future.
